Estimates of:

- 1) Local Option Sales and Use Tax
- 2) Recordation and Grantor's Tax

to be distributed to localities during Fiscal Year 2017

Virginia Department of Taxation March 30, 2016

Preface

Since the 1960's, the Department of Taxation has been providing the local governing body of every county, city, and town in the Commonwealth with an estimate of its distributive share of certain revenues for the following fiscal year. This report complies with the <u>Code of Virginia</u> §15.2-2502 requiring that such estimates be provided within fifteen days following adjournment of the Virginia General Assembly.

Enclosed are the Fiscal Year 2017 estimates for the local distributions of the Local Option Sales and Use Tax and the State Recordation and Grantor's taxes.

The <u>Code of Virginia</u> § 22.1-93, requires the Department of Education to provide, within fifteen days following final adjournment, "...estimates to be used for budgetary purposes relative to the Basic School Aid Formula..." Estimates of the Fiscal Year 2017 local distributions of the State Sales and Use Tax for Public Education are transmitted to the localities by the Department of Education.

The estimates contained herein should not be interpreted to be a State guarantee that each locality will receive the amounts indicated. Rather, they should be viewed only as estimates for each locality that are consistent with the latest economic assumptions utilized in forecasting State General Fund revenues.

Each local governing body is urged to verify the reasonableness of the estimates based on the expert knowledge of its officials and to track news releases pertaining to the developments with the Commonwealth's Budget and the Census data. If there are any questions concerning this publication, please feel free to contact the Department's Office of Revenue Forecasting at (804) 371-4372.

Craig M. Burns
Tax Commissioner
