Instructions for Form WRC Worker Retraining Tax Credit Application

GENERAL INFORMATION

The Worker Retraining Tax Credit may be claimed by employers who provide qualifying retraining for their employees through noncredit classes or through an apprenticeship agreement approved by the Virginia Jobs Investment Program, Virginia Economic Development Partnership (VEDP). Qualifying apprenticeship programs may include credit and noncredit classes.

- For qualified employees who attend Virginia community colleges, the employer can claim 30% of all training costs.
- For taxable years prior to January 1, 2013, an employer may claim the actual costs up to \$100 per qualified employee for those employees who attend private schools.
- For taxable years beginning on or after January 1, 2013, for those employees who attend private schools an employer may claim the actual costs up to \$200 per qualified employee or \$300 per qualified employee annually if the eligible worker retraining includes retraining in a STEM or STEAM discipline.

The total retraining credits granted to all employers is limited to \$2,500,000 for each year. If the total qualifying credits exceed this amount, the credit will be prorated. Employers must apply for their share of the available credit by filing Form WRC with the VEDP or Department of Taxation, as applicable, to determine their proportionate share of the credit. Notification of the authorized credit amount must be received before the credit may be claimed on the tax return.

The credit is allowable against the Individual Income Tax, Estate and Trust Income Tax, Corporation Income Tax, Bank Franchise Tax and taxes imposed upon insurance companies and utility companies (under *Va. Code* §§ 58.1-2501 et seq. and 58.1-2626 et seq.). This credit is nonrefundable, but excess credit may be carried forward for the next three taxable years. No credit can be carried back to a preceding taxable year.

PROCESS OVERVIEW FOR CLAIMING THIS CREDIT

Claiming this credit takes the following three-step process. Definitions used to qualify training are after Step 3.

Step 1: Determine Eligibility of Courses or Apprenticeship Programs for Credit

Noncredit Courses: Employers seeking this credit will have retrained employees through noncredit courses. To determine if the training will qualify for this credit, complete Parts I, II, and Schedule 1 of Form WRC and send it to Virginia Jobs Investment Program, Virginia Economic Development Partnership, 901 East Byrd Street Richmond, VA 23219. For questions, call 804-545-5706. VEDP will determine if the course qualifies as eligible retraining. VEDP will forward this determination to the Department of Taxation for Step 2.

Apprenticeship Programs: Employers seeking this credit will have retrained employees in a Virginia Apprenticeship Council approved program under the Voluntary Apprenticeship Act. For program information, call Department of Labor and Industry at 804-786-8009.

File Form WRC, completing Parts I, III and Schedule 2 (see Exception below), with the Department of Taxation, Tax Credit Unit, P. O. Box 715, Richmond, VA 23218-0715, to determine program applicability and authorized credit.

EXCEPTION: If applying for retraining credits for noncredit courses and an apprenticeship program, complete all of Form WRC and file

it with VEDP. After processing Schedule 1, VEDP will send Form WRC to the Department of Taxation.

Step 2: Requests for Additional Information and Notification of Authorized Credit

Additional information: If the Virginia Economic Development Partnership or the Department of Taxation needs additional information they will contact you by **May 1** and you will have until **May 15** to respond. If you have not received acknowledgment of your application from the Department of Taxation by May 31 please call **804-786-2992**.

The Department of Taxation will issue the credit by June 30. If you have not received your credit certification by July 15, please call 804-786-2992.

Extension of time for filing: If the tax return upon which this credit will be claimed is due on or before May 1, you may need to file an automatic extension payment for any tax due or file an amended return upon receipt of the credit information.

Step 3: Claim Worker Retraining Tax Credit on Your Return

After receiving notification of authorized credit, you may claim the credit on the applicable Virginia tax return. See the tax return instructions for computation and attachment details.
