FORM 770IP

Virginia Fiduciary and Unified Nonresident **Automatic Extension Payment Voucher**

For use when filing Form 770 or Form 765

Beginning with the first payment due on or after January 1, 2018, all fiduciary income tax payments must be made electronically. Use this voucher only if you have an approved waiver. File and pay your tentative tax online using the Department's eForm. Simply complete the online version of the Form 770IP by entering the tax information as you would if you were completing a paper form. Payments are made electronically and you may schedule payments to be made on a future date.

Effective for taxable years beginning on or after January 1, 2017, Pass-Through Entities must submit all unified nonresident income tax payments electronically if any payment exceeds \$15,000 or the sum of all payments is expected to exceed \$60,000. This includes estimated, extension, and return payments.

Virginia automatically grants all taxpayers a 6-month extension of time to file their fiduciary or unified nonresident tax returns.

- · For calendar year filers, the filing date is automatically extended to November 1.
- · You are NOT required to file Form 770IP in order to obtain this automatic extension.
- An extension of time to file does NOT extend the amount of time you have to make your payment.
- You must pay any tentative tax due by May 1.
- · Penalties and interest will accrue on all late payments.
